3rd User Workshop

6 – 8 September 2010

2nd Announcement

Radisson Blu Hotel, Rostock, Germany

2nd Announcement

Introduction

The EUMETSAT Satellite Application Facility on Climate Monitoring (CM SAF) generates, archives and disseminates satellite-based products in support to climate monitoring. Regular user workshops shall stimulate the discussion between users and CM SAF service and product providers.

Objective

The objective of the workshop is

- to provide a forum for users to present and discuss experiences and requirements w.r.t. satellite based climate monitoring products and services
- to present and discuss the provision of products and services by the Satellite Application Facility on Climate Monitoring in the time frame 2012 – 2017

Venue

The workshop will be held at:

Radisson Blu Hotel
Lange Straße 40
D-18055 Rostock
Deutschland

Tel.: +49 381 37500

Fax: +49 381 3750 10

E-mail:

info.rostock@radissonblu.com

Participation

The workshop primarily addresses (future) users of satellite-based climate monitoring products and scientists with expertise to support and realise user requirements.

Participants

are invited to submit poster to be presented during dedicated poster sessions.

Language, fees, accommodation

The official language of the workshop is English. Workshop participants are required to book accommodation at Radisson Blu Hotel Rostock. The daily rate is 86 €. This includes accommodation, breakfast, lunch and coffee & soft drinks during the conference.

Please note that the number of participants is limited.

Registration

Please register via www.cmsaf.eu/workshop and indicate whether or not you would like to submit a poster.
